

2022 Holiday Wreath Sale

JUST IN TIME FOR THE HOLIDAYS

The fragrant Wreaths are available in three sizes made by hand from the boughs of Frazier Fir Christmas Trees grown on a family-run farm in Ashe County, NC. To ensure freshness, the greenery is pruned from the trees by hand while they are standing in the field, trimmed and then attached to a wire ring with clamps. The handmade greenery is then sprayed with a product that seals the needles and evens the natural color variation between trees.
